And I'm lost in a daydream..........Dreamin' about my bundle of joy

Chorus 1:
F                     D7                    C         A7     F                         D7                      C           A7  
And even if time ain't really on my side....It's one of those days for takin' a walk out-side
F                         D7       C               A7       G                                                     G7  
I'm blowin' the day to walk in the sun.....and fall on my face on somebody's new-mowed lawn

C                           A7                Dm7                                       G7  
I been havin' a sweet dream..... I been dreamin' since I woke up today.

It's starring me and my sweet dream... 'cause she's the one that makes me feel this way

Chorus 2:
F                     D7                    C         A7     F                         D7                      C           A7  
And even if time is passin' me by a lot...I couldn't care less about the dues you say I've got
F                     D7                    C         A7     G                                                 G7  
Tomorrow I'll pay the dues for droppin' my load...a pie in the face for bein' a sleepy bull toad.
