

I Love My Dog

by Lindy Gravelle

Intro: F . . .

(sing A Bb C)

From the moment that I met him, he was the true com-panion for my heart—
We walked and talked to-gether and vowed we would never be a-part—
It didn't take us long and we were spending nights to-gether in a king size bed—
I've never known a love like this it goes be-yond what human words have said

Chorus:

I love my dog— (woof) I love my dog— (woof)
He's the best friend that I've ever had from his tail— to his nose—
He's al-ways a-round Don't let me down
Never drops the ba—all—all I love my dog—

Well he's always glad to see me— if I've been gone for hours or a minute or two—
He shines those big brown eyes at me and wags his sweet hel-lo, "I love you—"
He curls up right next to me makes me feel so warm and safe in-side—
And he's happy— just to be with me and it don't take much to keep him satis-fied—

Chorus:

I love my dog— (woof) I love my dog— (woof)
He's the best friend that I've ever had from his tail— to his nose—
He's al-ways a-round Don't let me down
Never drops the ba—all—all I love my dog—
