I saw you in my— dream—, we were walk-ing hand in— hand—

On a white— sandy beach— of Ha-wai`i—

We were play-ing in the— sun— we were hav-ing so much fun—

On a white— sandy beach— of Ha-wai`i—

The sound— of the ocean— soothes my rest-less soul—

The sound— of the ocean— rocks me all night—

Long—o-o o—o-o-o—

Those hot long summer— days— lying there in the— sun—

On a white— sandy beach— of Ha-wai`i—

The sound— of the ocean— soothes my rest-less soul—

The sound— of the ocean— rocks me all night—

Long—o-o o—o-o-o—

Last night— in my— dream— I saw your face a—gain—

We were there— in the sun—

On a white— san-dy beach— o—o— O— of Ha-wai`i—
